

# DECORATIVE PANELS

WALL-MOUNTED

Decorative panel: decorative strip OAK STC PL, adapter BLACK ST CPL, skirting board OAK ST CPL, door BALDUR 3 OAK ST CPL, black VSG glass

Decorative panels are mounted on the wall as a decorative element and at the same time improve the acoustics in the room.

Mounting is possible in several ways - the decorative skirting board can be mounted to the wall by means of a mounting strip only or with the use of adapters which constitute a base for the panels.

Decorative panels are available in the PREMIUM and ST CPL laminates, which can be put together in combinations of your choice.

— LAMINATE

adapter, length 2750 mm
decorative strip + mounting strip length 2750 mm
end strip, length 2750 mm

The individual elements of the decorative panel system are commercially available in a length of 2750 mm, however each product has a production length of 2800 mm and is delivered in this length, where 25 mm per side is a margin for free trimming before installation and also a reserve in case of transport damage.

The wall panels can also be mounted without an adapter directly to the wall using only a mounting strip on which we mount the decorative strip.

- adapter - quantity in pack 1 piece
- end strip - package quantity 1 piece
- decorative strip + mounting strip - pack of 3 sets
