LUA

A design language that has been reduced to the essentials. Clear, geometric lines united in one continuous form. This results in a versatile bathroom programme for private and public architecture alike. With LUA, Toan Nguyen has succeeded in creating yet another stylistic bathroom culture that will be a long-term common denominator. The collection of fittings designed with the same ambition, perfectly shaped bathtubs and the extensive LANI furniture range complete LUA are turned into a true total bathroom solution.
